Columbia Union School District will provide a learning environment in which a family atmosphere pervades; where a caring, team approach is used to serve the needs of ALL students; where it is considered that “no one of us is as smart as all of us;” and where every student and every faculty member will possess a “can do” attitude that will ensure an overall school spirit where students can grow academically, gain self-confidence and self-discipline, practice responsible citizenship and enjoy becoming life long learners.

School Wide Goals

All staff members will make a personal commitment to doing EVERYTHING in their power to ensure that ALL students perform at or above grade level and can meet or exceed grade level standards in all targeted subject areas.

All parents will feel empowered to become partners with the school in their children’s learning, having the personal knowledge that we care about their child and desire to approach all that we do “as a Columbia family.”

SCHOOL PLANS/SITE COUNCILS

The Governing Board believes that comprehensive planning is necessary at each school in order to focus school improvement efforts on student academic achievement and facilitate the effective use of available resources. The Superintendent or designee shall ensure that school plans provide clear direction and identify cohesive strategies aligned with school and district goals.

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)

(cf. 0400 - Comprehensive Plans)

(cf. 0415 - Equity)

(cf. 0460 - Local Control and Accountability Plan)

Each district school that participates in one or more federal and/or state categorical programs funded through the state's consolidated application process pursuant to Education Code 64000 shall establish a school site council in accordance with Education Code 65000-65001. The school site council shall develop, approve, and annually review and update a school plan for student achievement (SPSA) which consolidates the plans required for those categorical programs into a single plan, unless otherwise prohibited by law. (Education Code 64001)

(cf. 1220 - Citizen Advisory Committees)

(cf. 1431 - Waivers)

(cf. 6020 - Parent Involvement)

(cf. 6171 - Title I Programs)

(cf. 6174 - Education for English Learners)

(cf. 6190 - Evaluation of the Instructional Program)

The Superintendent or designee shall review each school's SPSA to ensure that it meets the content requirements for all applicable programs, is based on an analysis of current practices and student academic performance, and reasonably links improvement strategies to identified needs of the school and its students. The Superintendent or designee shall also ensure consistency between the specific actions included in the district's local control and accountability plan and the strategies identified in each school's SPSA.

The Board shall, at a regularly scheduled Board meeting, review and approve each school's SPSA whenever there are any material revisions affecting the academic programs for students participating in the categorical programs addressed in the SPSA. (Education Code 64001)

If the Board does not approve a school's SPSA, it shall communicate its specific reasons for disapproval of the plan to the school site council. The school site council shall then revise and resubmit the SPSA to the Board for its approval. (Education Code 64001)

SCHOOL PLANS/SITE COUNCILS (continued)

The Superintendent or designee shall ensure that school administrators and school site council members receive training on the roles and responsibilities of the school site council.

The SPSA may serve as the school improvement plan required when a school is identified for targeted or comprehensive support pursuant to 20 USC 6303. (Education Code 64001)

(cf. 0500 - Accountability)

Any complaint alleging noncompliance with requirements related to the establishment of school site councils or the development of the SPSA may be filed with the district in accordance with the district's uniform complaint procedures pursuant to 5 CCR 4600-4670 and BP/AR 1312.3 - Uniform Complaint Procedures. SCHOOL-BASED PROGRAM COORDINATION

In order to best serve students with special needs, as well as students participating in designated educational programs, the Governing Board encourages school-based program coordination as a means for achieving flexibility in the use of the categorical funds received by each school. The Board believes that resources acquired to assist students in one program often can benefit other students without in any way depriving the originally targeted group.

A school-site council shall be established at each school to consider whether or not it wishes the school to participate in school-based program coordination. All interested persons shall have an opportunity to meet in public to establish the site council. (Education Code 52852.5)

(cf. 0420 - School Plans/Site Councils)
(cf. 1220 - Citizen Advisory Committees)

Evaluation of the school's educational program shall include an assessment of the school's effectiveness in meeting the needs of each student population targeted by categorical funds.

CHARTER SCHOOL AUTHORIZATION

The Governing Board recognizes that charter schools may assist the district in offering diverse learning opportunities for district students. In considering any petition to establish a charter school within the district, the Board shall give careful consideration to the potential of the charter school to provide students with a high-quality education that enables them to achieve to their fullest potential.

One or more persons may submit a petition for a start-up charter school to be established within the district. In addition, an existing district school may be converted to a charter school when deemed beneficial by the district and community or when state or federal law requires restructuring of the school because of low performance.

(cf. 0520.2 - Title I Program Improvement Schools)

Any petition for a start-up charter school or conversion charter school shall include all components and signatures required by law and shall be submitted to the Board.

The Superintendent or designee may work with charter school petitioners prior to the formal submission of the petition in order to ensure compliance of the petition with legal requirements. As needed, he/she also may meet with the petitioners to establish workable plans for technical assistance or contracted services which the district may provide to the proposed charter school.

Within 30 days of receiving a petition to establish a charter school, the Board shall hold a public hearing to determine the level of support for the petition by teachers, other employees of the district, and parents/guardians. (Education Code 47605)

(cf. 9320 - Meetings and Notices)

Within 60 days of receiving a petition, or within 90 days with mutual consent of the petitioners and the Board, the Board shall either approve or deny the request to establish the charter school. (Education Code 47605)

The approval or denial of a charter petition shall not be controlled by collective bargaining agreements nor subject to review or regulation by the Public Employment Relations Board. (Education Code 47611.5)

Approval of Petition

The Board shall approve the charter petition if doing so is consistent with sound educational practice. In granting charters, the Board shall give preference to schools best able to provide comprehensive learning experiences for academically low-achieving students according to

CHARTER SCHOOL AUTHORIZATION (continued)

standards established by the California Department of Education (CDE) under Education Code 54032. (Education Code 47605)

The Board may initially grant a charter for a specified term not to exceed five years. (Education Code 47607)

(cf. 0420.42 - Charter School Renewal)

(cf. 0420.43 - Charter School Revocation)

The Board shall ensure that any approved charter contains adequate processes and measures for holding the school accountable for fulfilling the terms of its charter. These shall include, but not be limited to, fiscal accountability systems, multiple measures for evaluating the educational program, and regular reports to the Board.

(cf. 0420.41 - Charter School Oversight)

The district shall not require any district student to attend the charter school nor shall it require any district employee to work at the charter school. (Education Code 47605)

The Board may approve one or more memoranda of understanding to clarify the financial and operational agreements between the district and the charter school. Any such memorandum of understanding shall be annually reviewed by the Board and charter school governing body and amended as necessary.

It shall be the responsibility of the petitioners to provide written notice of the Board's approval and a copy of the charter to the County Superintendent of Schools, the CDE, and the State Board of Education (SBE). (Education Code 47605)

Denial of Petition

The Board shall deny any petition to authorize the conversion of a private school to a charter school or that proposes to serve students in a grade level that is not served by the district, unless the petition proposes to serve students in all the grade levels served by the district. (Education Code 47602, 47605; 5 CCR 11965)

Any other charter petition shall be denied only if the Board presents written factual findings specific to the petition that one or more of the following conditions exist: (Education Code 47605)

1. The charter school presents an unsound educational program for the students to be enrolled in the charter school.

CHARTER SCHOOL AUTHORIZATION (continued)

2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.
3. The petition does not contain the number of signatures required.
4. The petition does not contain an affirmation of each of the conditions described in Education Code 47605(d).
5. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(b).

The Board shall not deny a petition based on the actual or potential costs of serving students with disabilities, nor shall it deny a petition solely because the charter school might enroll disabled students who reside outside the special education local plan area in which the district participates. (Education Code 47605.7, 47647)

(cf. 0430 - Comprehensive Local Plan for Special Education)

If the Board denies a petition, the petitioners may choose to submit the petition to the County Board of Education and, if then denied by the County Board, to the SBE. (Education Code 47605)

Petition Signatures

A petition for the establishment of a startup charter school must be signed by either of the following: (Education Code 47605)

1. A number of parents/guardians equivalent to at least one half of the number of students that the charter school estimates will enroll in the school for its first year of operation.
2. A number of teachers equivalent to at least one half of the total number of teachers that the charter school estimates will be employed at the school during its first year of operation.

If the charter petition calls for an existing public school to be converted to a charter school, the petition must be signed by at least 50 percent of the permanent status teachers currently employed at the school. (Education Code 47605)

(cf. 4116 - Permanent/Probationary Status)

In circulating a petition, the petitioners shall include a prominent statement explaining that a parent/guardian's signature means that the parent/guardian is meaningfully interested in having his/her child attend the charter school or, in the case of a teacher's signature, that the teacher is meaningfully interested in teaching at the charter school. The proposed charter shall be attached to the petition. (Education Code 47605)

Advisory Committee

At his/her discretion, the Superintendent or designee may establish a staff advisory committee to evaluate the completeness of a petition or the merits of a proposed educational program and to identify any concerns that should be addressed by the petitioners. The Superintendent or designee shall also consult with legal counsel, as appropriate, regarding compliance of the charter proposals with legal requirements.

(cf. 2230 - Representative and Deliberative Groups)

Components of Charter Petition

The charter petition shall include affirmations of the conditions described in Education Code 47605(d): (Education Code 47605, 47611.5)

2. The County Superintendent of Schools and Superintendent of Public Instruction are notified before the charter school begins operations.
3. The charter school has attempted to locate a single site or facility to house the entire program but such a facility or site is unavailable in the area in which the school chooses to locate, or the site is needed for temporary use during a construction or expansion project.

A charter school may establish and locate a resource center, meeting space, or other satellite facility in an adjacent county if both of the following conditions are met: (Education Code 47605.1)

1. The facility is used exclusively for the educational support of students who are enrolled in non-classroom-based independent study of the charter school.
2. The charter school provides its primary educational services in, and a majority of the students it serves are residents of, the county in which the school is authorized.

Process

1. Upon receipt of a petition, a designated employee of the district shall date stamp the cover page of the submitted materials. A charter school petition shall include all of the information referenced in the Charter Schools Act by which the Board of Trustees may evaluate the application. While a charter school petition may be submitted at any time during the year, applicants are encouraged to submit a petition during a period when a regular Board meeting is scheduled to occur within the next 30 days. In addition, petitioners seeking approval to commence charter school operation at the start of the next school year shall initiate the process not later than the prior December 15th. In the case of petitions received after that date, the Board reserves the right to

CHARTER SCHOOL AUTHORIZATION (continued)

- consider approval on the basis of a one-year delay in the commencement of charter school operation.
2. Not later than 30 days after receiving the Charter School Petition, the Board shall hold a public hearing on the provisions of the charter, at which time the level of support for the petition by teachers, other employees, parents and guardians, and the school districts where the charter school applicants propose to place school facilities shall be considered. Charter school applicants shall be provided an opportunity to appear and provide testimony to the Board of Trustees.
 3. Within 60 days of officially receiving the petition, the Board will complete the review process and grant or deny the charter. The Board will take one of the following actions:
 - a. Grant the charter for a term of up to five years
 - b. Grant the charter with conditions to operate. Failure to comply with outlined conditions is violation of the charter and may result in rescission or revocation of the charter
 - c. Ask the petitioner to withdraw the petition until the petitioner can correct deficiencies
 - d. Deny the petition based on grounds established in Education Code
 - e. Seek a 30-day extension through written agreement from the petitioners in order to have additional time to consider the petition.

Denial of Petition - Findings

The Board shall deny any petition to authorize the conversion of a private school to a charter school or that proposes to serve students in a grade level that is not served by the district, unless the petition promises to serve students in all the grade levels served by the district. (Education Code 47602, 47605; CCR 11965).

It is the intent of the Board that charter schools with sound educational practice should be encouraged. The Board shall not deny a petition unless the Board makes written factual findings, specific to the particular petitioner, setting forth specific facts to support one, or more, of the following findings:

1. The charter school presents an unsound educational program for the pupils to be enrolled in the charter school.

CHARTER SCHOOL AUTHORIZATION (continued)

2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.
3. The petition does not contain the number of signatures required.
4. The petition does not contain an affirmation of each of the conditions as described in Education Code Â§ 47605.6(d).
5. The petition does not contain reasonably comprehensive descriptions of the charter provisions in E.C. 47605(b).
6. Any other basis that the Board finds justifies denial of the petition.

The Board shall deny the charter petition if it makes any of the findings 1 through 5 above.

The Board shall not deny a petition for the establishment of a charter school based on actual or potential costs of students with disabilities, nor shall it deny a petition solely because the charter school might enroll disabled students who reside outside the special education local plan areas in which the district participates. (Education Code 47605.7, 47647)
(cf. 0430—Comprehensive Local Plan for Special Education)

If the Board denies a petition, the petitioners may choose to submit the petition to the County Board of Education and, if then denied to by the County Board, to the SBE. (Education Code 47605)

COLUMBIA UNION SCHOOL DISTRICT

Columbia, California

CHARTER SCHOOL RENEWAL

The Governing Board believes that the ongoing operation of a charter school established within the district should be dependent on the school's effectiveness in achieving its mission and goals for student learning and other student outcomes. Whenever a charter school submits a petition for renewal of its charter, the Board shall review the petition thoroughly and in a timely manner.

(cf. 0420.4 - Charter School Authorization)

(cf. 0420.41 - Charter School Oversight)

(cf. 0420.43 - Charter School Revocation)

(cf. 0500 - Accountability)

Each renewal granted by the Board shall be for a period of five years. (Education Code 47607)

Submission of Renewal Petition

A charter school seeking renewal of its charter is encouraged to submit its petition for renewal to the Board sufficiently early before the term of the charter is due to expire.

The signature requirement applicable to new charter petitions is not applicable to petitions for renewal. (5 CCR 11966.4)

The petition for renewal shall include a reasonably comprehensive description of how the charter school has met all new charter school requirements enacted into law after the charter was originally granted or last renewed. The petition also shall include documentation that the charter school meets at least one of the criteria for academic performance specified in Education Code 47607(b), as listed in item #5 in the section "Criteria for Granting or Denying Renewal" below. (Education Code 47607; 5 CCR 11966.4)

Criteria for Granting or Denying Renewal

Renewals shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605. The Board shall consider the past performance of the charter school's academics, finances, and operations in evaluating the likelihood of future success, along with plans for improvement, if any. (Education Code 47607; 5 CCR 11966.4)

In determining whether to grant a charter renewal, the Board shall consider increases in academic achievement for all "numerically significant" groups of students served by the charter school, as defined in Education Code 52052, as the most important factor. (Education Code 47607)

CHARTER SCHOOL RENEWAL (continued)

The Board shall deny a renewal petition only if it makes a written factual finding setting forth specific facts to support one or more of the following grounds: (Education Code 47605, 47607; 5 CCR 11966.4)

1. The charter school presents an unsound educational program for the students enrolled in the school.
2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.
3. The petition does not contain an affirmation of each of the conditions described in Education Code 47605(d).
4. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(b).
5. The charter school has failed to meet at least one of the following criteria of academic performance:
 - a. Lack of progress on State Indicators indicated by a “Red – Very High” or “Orange - High” status Level (i.e., Suspension, Chronic Absenteeism, Math and English Language Arts) in the prior year or in two of the last three years, both schoolwide and for all numerically significant groups of students served by the charter school as defined in Education Code 52052.
 - b. Academic performance at least equal to the academic performance of the public schools that the charter school students would otherwise have been required to attend as well as the academic performance of district schools, taking into account the composition of the student population that is served at the charter school. In determining whether the charter school satisfies this criterion, the Board shall base its decision on:
 - (1) Documented clear and convincing data
 - (2) Student achievement data from assessments, including, but not limited to, the Smarter Balanced Testing, for demographically similar student populations in comparison schools

(3) Information submitted by the charter school

BP 0420.42(c)

CHARTER SCHOOL RENEWAL (continued)

Whenever the Board makes a determination based on this criterion, the Superintendent or designee shall submit copies of supporting documentation and a written summary of the basis for the Board's determination to the Superintendent of Public Instruction.

(cf. 6162.51 - State Academic Achievement Tests)

- c. Qualification for an alternative accountability system pursuant to Education Code 52052(h)

Timelines for Board Action

Within 30 days of receiving the renewal petition, the Board shall hold a public hearing to review documentation submitted by the charter school and obtain public input.

If the charter school submits documentation pursuant to item #5c in the section "Criteria for Granting or Denying Renewal" above, the Board shall not grant a renewal until at least 30 days after the submission of such documentation. (Education Code 47607)

Within 60 days of receiving the renewal petition, or within 90 days if extended by mutual written agreement of the Board and the charter school, the Board shall either grant or deny the request to renew the charter. (Education Code 47607; 5 CCR 11966.4)

If the Board fails to make a written factual finding pursuant to items #1-5 in the section "Criteria for Granting or Denying Renewal" above within the required time period, the absence of a written factual finding shall be deemed an approval of the renewal petition. (5 CCR 11966.4)

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days of the Board's action, whenever a renewal of the charter is granted or denied. (Education Code 47604.32; 5 CCR 11962.1)

If the Board denies a renewal petition, the charter school may submit its application for renewal to the County Board of Education within 30 days of the Board's written factual findings supporting the denial. If the County Board then fails to deny or grant the petition within 60 days of receiving the petition, or within 90 days if extended by written mutual agreement of the charter school and the County Board, the charter school may submit the petition to the State Board of Education. CHARTER SCHOOL REVOCATION

The Governing Board expects any charter school it authorizes to provide a sound educational program that promotes student learning and to carry out its operations in a manner that complies with law and the terms of its charter.

(cf. 0420.4 - Charter School Authorization)

(cf. 0420.41 - Charter School Oversight)

(cf. 0420.42 - Charter School Renewal)

(cf. 0500 - Accountability)

The Board may revoke a charter before the date it is due to expire whenever the Board makes a written factual finding, supported by substantial evidence, that the charter school has done any of the following: (Education Code 47607)

1. Committed a material violation of any of the conditions, standards, or procedures set forth in the charter
2. Failed to meet or pursue any of the student outcomes identified in the charter
3. Failed to meet generally accepted accounting principles or engaged in fiscal mismanagement
4. Violated any provision of law

The Board shall also consider revocation of a charter whenever the California Collaborative for Educational Excellence (CCEE), after providing advice and assistance to the charter school pursuant to Education Code 47607.3, submits to the Board either of the following findings: (Education Code 47607.3)

1. That the charter school has failed or is unable to implement the recommendations of the CCEE
2. That the inadequate performance of the charter school, as based on an evaluation rubric adopted by the State Board of Education (SBE), is so persistent or acute as to require revocation of the charter

In determining whether to revoke a charter, the Board shall consider increases in student academic achievement for all "numerically significant" groups of students served by the charter school, as defined in Education Code 52052, as the most important factor. (Education Code 47607, 47607.3)

At least 72 hours prior to any Board meeting at which the Board will consider issuing a Notice of Violation, the Board shall provide the charter school with notice and all relevant documents related to the proposed action. (5 CCR 11968.5.2)

(cf. 9320 - Meetings and Notices)

CHARTER SCHOOL REVOCATION (continued)

If the Board takes action to issue a Notice of Violation, it shall deliver the Notice of Violation to the charter school's governing body. The Notice of Violation shall identify: (Education Code 47607; 5 CCR 11965, 11968.5.2)

1. The charter school's alleged violation(s).
2. All evidence relied upon by the Board in determining that the charter school committed the alleged violation(s), including the date and duration of the alleged violation(s). The Notice shall show that each alleged violation is both material and uncured and that it occurred within a reasonable period of time before the Notice of Violation is issued.
3. The period of time that the Board has concluded is a reasonable period of time for the charter school to remedy or refute the identified violation(s). In identifying this time period, the Board shall consider the amount of time reasonably necessary to remedy each identified violation, which may include the charter school's estimation as to the anticipated remediation time.

By the end of the remedy period identified in the Notice of Violation, the charter school's governing body may submit to the Board a detailed written response and supporting evidence addressing each identified violation, including the refutation, remedial action taken, or proposed remedial action. (5 CCR 11968.5.2)

Within 60 calendar days of the conclusion of the remedy period, the Board shall evaluate any response and supporting evidence provided by the charter school's governing body and shall take one of the following actions: (5 CCR 11968.5.2)

1. Discontinue revocation of the charter and provide timely written notice of such action to the charter school's governing body
2. If there is substantial evidence that the charter school has failed to remedy a violation identified in the Notice of Violation or to refute a violation to the Board's satisfaction, continue revocation of the charter by issuing a Notice of Intent to Revoke to the charter school's governing body

If the Board issues a Notice of Intent to Revoke, it shall hold a public hearing concerning the revocation on the date specified in the notice, which shall be no later than 30 days after providing the notice. Within 30 calendar days after the public hearing, or within 60 calendar days if extended by written mutual agreement of the Board and the charter school, the Board shall issue a final decision to revoke or decline to revoke the charter. (Education Code 47607; 5 CCR 11968.5.2)

If the Board fails to meet the timelines specified above for issuing a Notice of Intent to Revoke or a final decision, the revocation process shall be deemed terminated. (5 CCR 11968.5.2)

CHARTER SCHOOL REVOCATION (continued)

Within 10 calendar days of the Board's final decision, the Superintendent or designee shall provide a copy of the final decision to the California Department of Education (CDE) and the County Board of Education. (Education Code 47604.32; 5 CCR 11968.5.2)

Severe and Imminent Threat

The procedures specified above shall not be applicable when the Board determines, in writing, that any violation under Education Code 47607 constitutes a severe and imminent threat to the health or safety of students. In such circumstances, the Board may immediately revoke the school's charter by approving and delivering a Notice of Revocation by Determination of a Severe and Imminent Threat to Pupil Health or Safety to the charter school's governing body, the County Board, and the CDE. (Education Code 47607; 5 CCR 11968.5.3)

Appeals

If the Board revokes a charter, the charter school may, within 30 days of the Board's final decision, appeal the revocation to the County Board. Either the charter school or the district may subsequently appeal the County Board's decision to the SBE. However, a revocation based upon the findings of the CCEE pursuant to Education Code 47607.3 may not be appealed. (Education Code 47607, 47607.3; 5 CCR 11968.5.3-11968.5.5)

Under the leadership of the district and school administration, schools making significant changes in instructional practices or learning environment must have a broad-based consensus regarding their specific objectives, priorities, and methods for assessing student learning.

The Board desires to support staff decision making responsibilities with appropriate inservice training, to encourage creativity at school sites, and to evaluate staff performance in relation to school objectives. The Superintendent or designee shall help school decision teams establish planning processes, make efficient use of resources and staff, and develop new programs based on the needs, interests and resources at their individual schools.

The Superintendent or designee shall appoint a district restructuring committee composed of teachers, parents/guardians, administrators, bargaining unit representatives and one or more Board member representatives. This committee shall help school decision teams request changes or waivers from laws, Board policies, administrative regulations, and collective bargaining agreements.

LOCAL CONTROL AND ACCOUNTABILITY PLAN

The Governing Board desires to ensure the most effective use of available funding to improve outcomes for all students. A comprehensive, data-driven planning process shall be used to identify annual goals and specific actions which are aligned with the district budget and facilitate continuous improvement of district practices.

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)

(cf. 0415 - Equity)

The Board shall adopt a districtwide local control and accountability plan (LCAP), based on the template adopted by the State Board of Education (SBE), that addresses the state priorities in Education Code 52060 and any local priorities adopted by the Board. The LCAP shall be updated on or before July 1 of each year and, like the district budget, shall cover the next fiscal year and two subsequent fiscal years. (Education Code 52060, 52064; 5 CCR 15494-15497)

(cf. 3100 - Budget)

The LCAP shall focus on improving outcomes for all students, particularly those who are "unduplicated students" or are part of any numerically significant student subgroup that is at risk of or is underperforming.

Unduplicated students include students who are eligible for free or reduced-price meals, English learners, and foster youth, as defined in Education Code 42238.01 for purposes of the local control funding formula (LCFF). (Education Code 42238.02)

(cf. 3553 - Free and Reduced Price Meals)

(cf. 6173.1 - Education for Foster Youth)

(cf. 6174 - Education for English Learners)

Numerically significant student subgroups include ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students, when there are at least 30 students in the subgroup or at least 15 foster youth or homeless students. (Education Code 52052)

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

(cf. 6173 - Education for Homeless Children)

The Superintendent or designee shall review the school plan for student achievement (SPSA) submitted by each district school pursuant to Education Code 64001 to ensure that the specific actions included in the LCAP are consistent with strategies included in the SPSA. (Education Code 52062)

LOCAL CONTROL AND ACCOUNTABILITY PLAN(continued)

(cf. 0420 - School Plans/Site Councils)

The LCAP shall also be aligned with other district and school plans to the extent possible in order to minimize duplication of effort and provide clear direction for program implementation.

(cf. 0400 - Comprehensive Plans)
(cf. 0440 - District Technology Plan)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 5030 - Student Wellness)
(cf. 6171 - Title I Programs)
(cf. 7110 - Facilities Master Plan)

As part of the LCAP adoption and annual update to the LCAP, the Board shall separately adopt an LCFF budget overview for parents/guardians, based on the template developed by the SBE, which includes specified information relating to the district's budget. The budget overview shall be adopted, reviewed, and approved in the same manner as the LCAP and the annual update. (Education Code 52064.1)

Any complaint that the district has not complied with legal requirements pertaining to the LCAP may be filed pursuant to AR 1312.3 - Uniform Complaint Procedures. (Education Code 52075)

(cf. 1312.3 - Uniform Complaint Procedures)

Plan Development

The Superintendent or designee shall gather data and information needed for effective and meaningful plan development and present it to the Board and community. Such data and information shall include, but not be limited to, data regarding the number of students in student subgroups, disaggregated data on student achievement levels, and information about current programs and expenditures.

The Board shall consult with teachers, principals, administrators, other school personnel, employee bargaining units, parents/guardians, and students in developing the LCAP. Consultation with students shall enable unduplicated students and other numerically significant student subgroups to review and comment on LCAP development and may include surveys of students, student forums, student advisory committees, and/or meetings with student government bodies or other groups representing students. (Education Code 52060; 5 CCR 15495)

(cf. 1220 - Citizen Advisory Committees)
(cf. 4140/4240/4340 - Bargaining Units)
(cf. 6020 - Parent Involvement)

LOCAL CONTROL AND ACCOUNTABILITY PLAN(continued)

Public Review and Input

The Board shall establish a parent advisory committee to review and comment on the LCAP. The committee shall be composed of a majority of parents/guardians and shall include parents/guardians of unduplicated students as defined above. (Education Code 52063; 5 CCR 15495)

Whenever district enrollment includes at least 15 percent English learners, with at least 50 students who are English learners, the Board shall establish an English learner parent advisory committee composed of a majority of parents/guardians of English learners to review and comment on the LCAP. (Education Code 52063; 5 CCR 15495)

The Superintendent or designee shall present the LCAP to the committee(s) before it is submitted to the Board for adoption, and shall respond in writing to comments received from the committee(s). (Education Code 52062)

The Superintendent or designee shall notify members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP. The notification shall be provided using the most efficient method of notification possible, which may not necessarily include producing printed notices or sending notices by mail. All written notifications related to the LCAP shall be provided in the primary language of parents/guardians when required by Education Code 48985. (Education Code 52062)

(cf. 5145.6 - Parental Notifications)

As part of the parent/guardian and community engagement process, the district shall solicit input on effective and appropriate instructional methods, including, but not limited to, establishing language acquisition programs to enable all students, including English learners and native English speakers, to have access to the core academic content standards and to become proficient in English. (Education Code 305-306)

The Superintendent or designee shall consult with the administrator(s) of the special education local plan area of which the district is a member to ensure that specific actions for students with disabilities are included in the LCAP and are consistent with strategies included in the annual assurances support plan for the education of students with disabilities. (Education Code 52062)

(cf. 0430 - Comprehensive Local Plan for Special Education)

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. The public hearing shall be held at the same meeting as the budget hearing required

LOCAL CONTROL AND ACCOUNTABILITY PLAN(continued)

pursuant to Education Code 42127 and AR 3100 - Budget. (Education Code 42127, 52062)

(cf. 9320 - Meetings and Notices)

Adoption of the Plan

The Board shall adopt the LCAP prior to adopting the district budget, but at the same public meeting. This meeting shall be held after the public hearing described above, but not on the same day as the hearing. (Education Code 52062)

The Board may adopt revisions to the LCAP at any time during the period in which the plan is in effect, provided the Board follows the process to adopt the LCAP pursuant to Education Code 52062 and the revisions are adopted in a public meeting. (Education Code 52062)

Submission of Plan to County Superintendent of Schools

Not later than five days after adoption of the LCAP, the district budget, and the budget overview for parents/guardians, the Board shall file the LCAP, the budget, and the budget overview with the County Superintendent of Schools. (Education Code 42127, 52064.1, 52070)

If the County Superintendent sends, by August 15, a written request for clarification of the contents of the LCAP, the Board shall respond in writing within 15 days of the request. If the County Superintendent then submits recommendations for amendments to the LCAP within 15 days of receiving the Board's response, the Board shall consider those recommendations in a public meeting within 15 days of receiving the recommendations. (Education Code 52070)

If the County Superintendent does not approve the district's LCAP, the Board shall accept technical assistance from the County Superintendent focused on revising the plan so that it can be approved. (Education Code 52071)

Monitoring Progress

The Superintendent or designee shall report to the Board, at least annually in accordance with the timeline and indicators established by the Superintendent and the Board, regarding the district's progress toward attaining each goal identified in the LCAP. Evaluation shall include, but not be limited to, an assessment of district and school performance reported on the California School Dashboard. Evaluation data shall be used to recommend any necessary revisions to the LCAP.

(cf. 0500 - Accountability)

LOCAL CONTROL AND ACCOUNTABILITY PLAN(continued)

The Superintendent or designee shall seek and/or accept technical assistance or other intervention that may be required pursuant to Education Code 52071 or 52072 or 20 USC 6311 when a school or a numerically significant student subgroup is not making sufficient progress toward the goals in the LCAP.

Increase or Improvement in Services for Unduplicated Students

The LCAP shall demonstrate how the district will increase or improve services for unduplicated students at least in proportion to the increase in funds apportioned on the basis of the number and concentration of unduplicated students. (5 CCR 15494-15496)

When the district expends supplemental and/or concentration grant funds on a districtwide or schoolwide basis during the year for which the LCAP is adopted, the district's LCAP shall: (5 CCR 15496)

1. Identify those services that are being funded and provided on a districtwide or schoolwide basis
2. Describe how such services are principally directed towards, and are effective in, meeting the district's goals for unduplicated students in the state priority areas and any local priority areas
3. If the enrollment of unduplicated students is less than 55 percent of district enrollment or less than 40 percent of school enrollment, describe how these services are the most effective use of the funds to meet the district's goals for its unduplicated students in the state priority areas and any local priority areas. The description shall provide the basis for this determination, including, but not limited to, any alternatives considered and any supporting research, experiences, or educational theory.

Availability of the Plan

COLUMBIA UNION SCHOOL DISTRICT

COVID-19 MITIGATION PLAN

The following policy establishes actions that will be taken by the district to provide a safe learning and working environment during the coronavirus (COVID-19) pandemic, and shall supersede any conflicting language in existing district policies or administrative regulations until the Governing Board determines that the need for this policy no longer exists. The Board acknowledges that, due to the evolving nature of the pandemic, federal, state, and local orders impacting district operations are subject to change without notice. In the event that any federal, state, or local order may conflict with this policy, the order shall govern.

(cf. 2210 - Administrative Discretion Regarding Board Policy)

(cf. 5141.22 - Infectious Diseases)

(cf. 9310 - Board Policies)

The Board may also adopt resolutions or take other actions as needed to respond to such orders or provide further direction during the pandemic.

The Board recognizes that students and staff have the right to a safe campus that protects their physical and psychological health and well-being. School campuses shall only be open when deemed safe for in-person instruction. The Board's decision to reopen school campuses for classes, before or after school programs, child care centers, and/or preschool programs shall be made in consultation with state and local health officials, the county office of education, and neighboring school districts. The district shall evaluate its capacity to implement safety precautions and to conduct full or partial school operations, and shall consider student, parent/guardian, and community input.

(cf. 0400 - Comprehensive Plans)

(cf. 0450 - Comprehensive Safety Plan)

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

Prior to the return to on-campus teaching and learning, the Superintendent or designee shall provide to students, parents/guardians, and staff current information about COVID-19, including its symptoms, how it is transmitted, how to prevent transmission, the current recommendations from the state and local departments of public health, and any other information and/or resources to prepare for a safe return to on-campus teaching and learning. The Superintendent or designee shall also provide information on the processes and protocols the district will follow to minimize the health risks associated with COVID-19, including, but not limited to, physically separating individuals (social distancing), limits on large gatherings, the provision of personal protective equipment (PPE) such as masks and gloves, and the sanitization of facilities.

COVID-19 MITIGATION PLAN (Continued)

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)
(cf. 6020 - Parent Involvement)

Student Support

The Board recognizes that the consequences of the COVID-19 pandemic, including fear for one's safety, the economic crisis, the loss of school-based relationships, and disruptions in student learning, impact all students but may have a disproportionate effect on the youngest students, students with disabilities, those students most vulnerable to basic needs insecurity or child abuse and neglect, and other at-risk students.

(cf. 0415- Equity)

As school campuses reopen, staff shall provide a caring and nurturing educational environment for students. The district may provide instruction on social-emotional well-being to all students, including information on how to deal with stress and anxiety in healthy ways and the importance of emotional well-being for academic success.

(cf. 6142.8 - Comprehensive Health Education)

Staff shall pay careful attention to students' increased mental health concerns. Counseling, other support services, and/or referrals to other agencies shall be available to assist students in dealing with the social and emotional effects of COVID-19, such as stress, anxiety, depression, grief, social isolation, and post-traumatic stress disorder.

(cf. 5141.5 - Mental Health)
(cf. 5141.52 - Suicide Prevention)
(cf. 6164.2 - Guidance/Counseling Services)
(cf. 6164.5 - Student Success Teams)

As needed, the district may provide referrals of students and families to basic needs assistance or social services, and may assess students for eligibility for the free and reduced-price meal program or assistance under the McKinney-Vento Homeless Assistance Act.

(cf. 6173 - Education for Homeless Children)

The Superintendent or designee shall ensure that staff understand their obligations as mandated reporters to report suspected child abuse or neglect, regardless of whether the student is on campus or participating in distance learning.

COVID-19 MITIGATION PLAN(Continued)

(cf. 5141.4 - Child Abuse Prevention and Reporting)

The Superintendent or designee may provide information to staff and parents/guardians regarding how to provide mental health support to students. The Superintendent or designee may also provide counseling to staff who are experiencing emotional difficulties as a result of COVID-19.

Instruction/Schedules

The district shall offer a combination of on-campus instruction and distance learning to meet the needs of all students.

(cf. 6157 - Distance Learning)

(cf. 6158 - Independent Study)

The Superintendent or designee shall work with school principals, teachers, other staff, students, and parents/guardians to recommend to the Board a schedule of on-campus instruction for each school. If all students cannot attend on-campus instruction for the entire school day due to space limitations as a result of social distancing requirements, the Superintendent or designee shall consider arrangements for rotating groups of students, such as on a daily or weekly basis, and/or shall provide on-campus instruction to students with the greatest need for in-person supervision.

(cf. 6111 - School Calendar)

(cf. 6112 - School Day)

Priority for on-campus instruction shall be given to the lowest performing students, students with disabilities, elementary level students, students at risk of child abuse and neglect, homeless students, foster youth, and English learners. To the extent practicable, the district shall also consider the needs of essential workers, as designated in the Governor's executive orders, for child care during normal school hours.

(cf. 6173.1 - Education for Foster Youth)

(cf. 6174 - Education for English Learners)

On-campus instruction may be prioritized for subjects that are difficult to deliver through distance learning, such as laboratory science, art, or career technical education.

For distance learning, lessons may be delivered through live video sessions, pre-recorded lectures, or other technology-based distance learning platforms and/or the district may

COVID-19 MITIGATION PLAN(Continued)

supplement on-campus instruction with home assignments. As much as possible, distance learning shall be provided through small-group synchronous learning.

Appropriate training shall be provided to teachers and other instructional staff involved in distance learning, including training on how to use any technology or platform approved for distance learning by the school and opportunities for the sharing of best practices among instructional staff. Available training resources may also be provided to students and parents/guardians when necessary.

Evaluation of Academic Progress Following Campus Closure

Upon return to on-campus instruction following an extended campus closure, the Superintendent or designee shall evaluate the impact of the campus closure on students' academic progress. Such evaluation may:

1. Address student-specific needs arising from the transition back into on-campus instruction
2. Consider whether or not a student has experienced a regression of skills and/or lack of progress
3. If regression and/or a lack of progress is present, identify opportunities for recovery, including supplemental educational services and/or new or different support services

(cf. 6179 - Supplemental Instruction)

For students with disabilities, the evaluation of academic progress shall also be used to determine whether an additional or revised individualized education program (IEP) or Section 504 plan is needed for the student to be academically successful when returning to on-campus instruction. The Superintendent or designee may prioritize urgent student need in scheduling initial and triennial assessments and annual IEP meetings. The Superintendent or designee shall ensure district compliance with all procedural timelines for IEPs and Section 504 plans as required, unless amended by executive order.

(cf. 6159 - Individualized Education Program)

(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

(cf. 6164.6 - Identification and Education Under Section 504)

COVID-19 MITIGATION PLAN(Continued)

Grading

For each grading period, student progress shall be reported in accordance with BP/AR 5121 - Grades/Evaluation of Student Achievement. However, in the event that school campuses are closed for an extended period of time during any grading period, the Board may, upon recommendation by the Superintendent or designee, adopt one or more alternative grading policies which may vary by grade level or type of course. Options for such grading include, but are not limited to:

1. Assignment of final grades based on the student's grades when the campus shutdown occurred, with opportunities to increase the final grade based on progress through distance learning or other assignments and assessments
2. Assignment of pass/no pass grades for all courses
3. Grading based on students' understanding of applicable course content through assessments, projects, portfolios, or other appropriate means

(cf. 5121 - Grades/Evaluation of Student Achievement)

Health Screening of Students

To the extent feasible, students shall be screened for COVID-19 symptoms before boarding a school bus and/or upon arrival at school each day. The Superintendent or designee shall work with local health officials to determine the appropriate means of screening, which may include temperature checks with a no-touch thermometer.

If the screening indicates a fever or other COVID-19 symptoms, or if the student exhibits symptoms at any time during the school day, the student shall be placed in a supervised isolation area until the student's parent/guardian is contacted and the student can be transported home or to a health care facility. School staff may provide the parent/guardian with referrals to school or community health centers for further testing.

(cf. 5141 - Health Care and Emergencies)

(cf. 5141.3 - Health Examinations)

(cf. 5141.6 - School Health Services)

Student Absence and Attendance

COVID-19 MITIGATION PLAN(Continued)

The Board recognizes that COVID-19 will continue to impact the attendance of students following the reopening of school campuses. The Superintendent or designee shall notify students and parents/guardians of expectations regarding school attendance. Such notification shall direct any student who contracts the virus or lives with someone who has been diagnosed with COVID-19 to stay home in accordance with state and local health directives so as to curtail the spread of the disease.

Students who are infected with COVID-19 shall be excluded from on-campus instruction until a medical provider states in writing that the student is no longer contagious. (Education Code 49451; Health and Safety Code 120230; 5 CCR 202)

Students who are identified as being in a high-risk population for serious complications from COVID-19 because of a medical condition may request assessment and accommodations under Section 504 and/or an alternative instructional method that allows the student to continue receiving instruction off campus.

When a student is absent, the student's parent/guardian shall notify the school of the reason for the absence. A physician's verification of a student's illness or quarantine may be submitted, but is not required.

(cf. 5113 - Absences and Excuses)

If a student would otherwise be required to attend on-campus instruction but is kept home by the parents/guardians due to concerns for the welfare of their child, the principal or designee shall work with the student and parent/guardian to find alternative means of instruction, which may include distance or blended learning, independent study, printed class assignments, or other reasonable means.

(cf. 6154 - Homework/Makeup Work)

The Superintendent or designee shall maintain enrollment and student attendance data, including the participation of students in distance learning, and shall report data in accordance with state requirements.

The district employee designated as the attendance supervisor pursuant to Education Code 48240 shall track patterns of student absence throughout the district and regularly report such information to the Superintendent. When a student who is participating in distance learning repeatedly fails to check in with the teacher when required, the teacher and/or attendance

COVID-19 MITIGATION PLAN(Continued)

supervisor shall attempt to contact the student or parent/guardian to resolve the issues leading to the absence.

(cf. 5113.1 - Chronic Absence and Truancy)

(cf. 5113.11 - Attendance Supervision)

Social Distancing

In order to maintain a campus environment that allows for social distancing, the district shall assess the capacity of school facilities, including classrooms, cafeterias, multi-purpose rooms, gyms, and outdoor areas, and determine the means by which the facilities can best be utilized considering space and time alternatives. To the extent reasonably possible, the district may:

1. Within classrooms, space desks at least six feet apart and position them in a way that limits students facing each other
2. Stagger students in areas of high traffic, such as when students are using lockers, lining up for class, or passing between classes
3. Mark six-foot boundaries within classrooms, common areas, outdoor spaces, and places where students are likely to gather so that students and staff are more readily aware of and can more easily abide by social distancing requirements
4. Utilize restroom stalls and sinks in a manner that allows for social distancing, such as limiting the number of students and/or staff who may use the restroom at a time, blocking off every other stall or sink from use, and/or marking six-foot boundaries
5. Minimize the mixing of students from different classrooms in common spaces, such as in cafeterias and libraries
6. Conduct recess and physical education classes in a manner that allows for social distancing and minimizes the use of physical education equipment
7. Assess the capacity of school buses and develop a plan for bus routes and bus seating consistent with social distancing objectives

(cf. 3540 - Transportation)

(cf. 3543 - Transportation Safety and Emergencies)

COVID-19 MITIGATION PLAN(Continued)

8. Encourage students to walk, bicycle, or travel by private vehicle to reduce the number of students traveling on school buses. Schools may provide designated areas with proper distancing for bicycles to be stored during the school day, and may mark spaces for private vehicle drop-off and pick-up zones.

(cf. 5142.2 - Safe Routes to School Program)

Large gatherings, such as assemblies, rallies, field trips, extracurricular activities, and athletic events, shall be suspended until the Board determines, consistent with guidance from state and local health officials, that it is safe to resume such activities. The Superintendent or designee may grant an exception if an activity can be arranged to take place in phases or per class, or modified in a manner that would keep participants from violating social distancing recommendations. When deciding whether an activity may resume, the Superintendent or designee may consider the size of the group that participates, the extent to which the students and other attendees have physical contact, whether the activity can be modified to avoid physical contact, if shared equipment is required for the activity, and if social distancing can be maintained.

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

(cf. 6153 - School-Sponsored Trips)

Personal Protective Equipment and Hygiene Practices

The Board encourages students, staff, and visitors to wear PPE while on school campuses or school buses, especially in high-traffic areas and/or when social distancing is not possible. If the use of PPE in schools is required by state or local health officials, the district shall provide PPE to students and staff who do not bring their own personal PPE. Students and staff shall be provided instruction in the proper use, removal, disposal, and cleaning of PPE.

Face coverings shall not be required for children younger than two years, or for anyone who has trouble breathing or is incapacitated or otherwise unable to remove the covering without assistance. Reasonable accommodations shall be made for anyone who is unable to wear a face covering for medical reasons.

The Board also encourages students and staff to practice good hygiene, such as appropriate covering of coughs and sneezes and regular hand washing of at least 20 seconds, including before eating and after blowing one's nose, coughing, or sneezing. The district shall provide adequate time and opportunity for students to wash hands, and shall make hand sanitizer

COVID-19 MITIGATION PLAN(Continued)

available in areas where handwashing is less accessible. Signage regarding healthy hygiene practices and how to stop the spread of COVID-19 may be posted in and around school facilities.

Sanitization of Facilities and Equipment

School facilities, school buses, and shared equipment such as desks, tables, sports/playground equipment, computers, door handles, light switches, and other frequently used equipment and supplies shall be cleaned and disinfected daily with appropriate cleaning agents. Disinfectants and cleaning agents shall be stored properly and in a manner not accessible to students.

(cf. 3510 - Green School Operations)

(cf. 3514.1 - Hazardous Substances)

(cf. 4157/4257/4357 - Employee Safety)

The Superintendent or designee shall ensure that ventilation systems are operating properly and that air flow and ventilation within district facilities is increased, to the extent possible, by opening windows and doors and using fans and air conditioning. Garbage shall be removed daily and disposed of safely.

Food Services

The Superintendent or designee shall ensure that students have access to clean drinking water other than through a drinking fountain, and food which is procured, stored, and served in a manner that reduces the likelihood of COVID-19 transmission and follows state and national guidelines for nutrition.

(cf. 3550 - Food Service/Child Nutrition Program)

For meals that are consumed on school grounds, the Superintendent or designee shall ensure that students will be able to maintain proper social distancing while eating. In order to do so, the Superintendent or designee may consider the consumption of meals in classrooms, gyms, the outdoors, and/or other district grounds.

Meal service shall also be available to students participating in distance learning, which may include and/or entirely consist of a "grab and go" service or delivery.

Due to the changing financial circumstances of many families as a result of COVID-19, the Superintendent or designee shall regularly provide information to students and parents/guardians regarding the free and reduced-price meal program, eligibility, and how to apply for the program.

COVID-19 MITIGATION PLAN(Continued)

(cf. 3553 - Free and Reduced Price Meals)

Staff

Prior to reopening campuses, the Superintendent or designee shall review staff assignments and, upon request, may reassign employees to reduce exposure to the virus, especially for high-risk staff. When feasible for the position, employees may be granted a remote work assignment.

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4113 - Assignment)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

(cf. 4113.5/4213.5/4313.5 - Working Remotely)

In the event that employees are unable to perform their duties due to partial or full closure of campuses, the Board shall compensate employees as permitted by law.

(cf. 4151/4251/4351 - Employee Compensation)

Any employee who contracts the virus, shows symptoms of possible infection, or is caring for someone who has been diagnosed with the virus shall self-quarantine for the period of time recommended by health authorities in order to prevent the spread of the disease to students or other staff.

An employee may use personal illness and injury leave and/or family care and medical leave, as applicable, if the employee is unable to work or telework because the employee is ill or needs to take care of a spouse, parent/guardian, or child with COVID-19 or other serious health condition. (Education Code 44978, 45191; Government Code 12945.1-12945.2; Labor Code 245-249; 29 USC 2601-2654)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

Until December 31, 2020, an eligible employee may take paid sick leave for up to 80 hours, or the number of hours that a part-time employee works on average over a two-week period, if the employee is unable to work or telework because the employee is: (29 USC 2601)

1. Subject to a federal, state, or local quarantine or isolation order related to COVID-19
2. Advised by a health care provider to self-quarantine due to concerns related to COVID-19

COVID-19 MITIGATION PLAN(Continued)

3. Experiencing symptoms of COVID-19 and seeking a medical diagnosis
4. Caring for an individual who is subject to a federal, state, or local quarantine or isolation order or has been advised by a health care provider to self-quarantine
5. Caring for the employee's child whose school or child care provider is closed or unavailable for reasons related to COVID-19
6. Experiencing any other substantially similar condition specified by the U.S. Department of Health and Human Services

Employees shall be paid their regular rate of pay for leave taken pursuant to items #1-3 above, or two-thirds their regular rate of pay for leave taken pursuant to items #4-6 above, within the limits specified in law. (29 USC 2601)

For the purpose specified in item #5 above, eligible employees who have been employed by the district for at least 30 calendar days shall be granted extended leave for up to 12 work weeks upon request. The first 10 days of such leave shall be unpaid unless the employee uses accrued vacation leave, personal leave, sick leave, or paid sick leave granted pursuant to 29 USC 2601. After the first 10 days, the district shall pay not less than two-thirds of the employee's regular pay for the number of hours per week the employee normally works, with a maximum of \$200 per day and \$10,000 for the total period. Eligibility for extended leave for this purpose is subject to the employee's eligibility for leave pursuant to the Family and Medical Leave Act. (29 USC 2601, 2620)

The district shall post, in conspicuous places where employee notices are customarily posted, a notice prepared by the U.S. Department of Labor regarding the requirements of 29 USC 2601 and 2620. (29 USC 2601)

Follow-Up with Infected Persons/Contact Tracing

The Superintendent or designee shall work with county health officials to track confirmed cases of students and staff with COVID-19, including, but not limited to, following up with students, their parents/guardians, and staff who exhibit symptoms while at school and those who report an absence or miss work due to illness. The Superintendent or designee shall report confirmed cases to local health authorities.

If a student, family member of a student, or staff member has tested positive for COVID-19, the district shall assist local health officials in conducting contact-tracing to identify potentially

COVID-19 MITIGATION PLAN(Continued)

exposed individuals and ask them to self-quarantine, which may include not participating in on-campus instruction. While maintaining the privacy of the infected person, the district shall inform other students and staff with whom the infected person may have had contact in school.

Nondiscrimination

The Board prohibits discrimination based on actual or perceived medical condition or disability status. (Government Code 11135)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Individual students and staff shall not be identified as being COVID-positive, nor shall students be shamed, treated differently, or denied access to a free and appropriate public education because of their COVID-19 status or medical condition. Staff shall not disclose confidential or privileged information, including the medical history or health information of students and staff. (Education Code 49450)

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

The Superintendent or designee shall investigate any reports of harassment, intimidation, and bullying targeted at any student based on COVID status, exposure, or high-risk status.

(cf. 1312.3 - Uniform Complaint Procedures)

(cf. 5131.2 - Bullying)

(cf. 5145.3 - Nondiscrimination/Harassment)

Community Relations

The Superintendent or designee shall use a variety of methods to regularly communicate with students, parents/guardians, and the community regarding district operations, school schedules, and steps the district is taking to promote the health and safety of students. In addition, the members of the Board have a responsibility as community leaders to communicate matters of public interest in a manner that is consistent with Board policies and bylaws regarding public statements.

(cf. 1100 - Communication with the Public)

(cf. 1112 - Media Relations)

(cf. 9010 - Public Statements)

The district shall continue to collaborate with local health officials and agencies, community organizations, and other stakeholders to ensure that district operations reflect current

COVID-19 MITIGATION PLAN(Continued)

recommendations and best practices for keeping students, staff, and visitors safe during the COVID-19 state of emergency. The Superintendent or designee shall keep informed about resources and services available in the community to assist students and families in need.

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 1700 - Relations Between Private Industry and the Schools)

While the Board recognizes the rights of parents/guardians to participate in the education of their children and the critical importance of parental involvement in the educational process, all visitors and volunteers are encouraged to respect guidelines regarding social distancing and large gatherings. School visitors and volunteers shall be limited in number and expected to observe all district protocols for COVID-19. The Superintendent or designee may place signage around the school advising that visitors and volunteers may be required to use PPE while on school sites and interacting with school personnel, and may keep a supply of such equipment available for their use.

(cf. 1240 - Volunteer Assistance)

(cf. 1250 - Visitors/Outsiders)

Use of school facilities by persons or organizations for community purposes involving large gatherings shall be suspended until the Board determines, consistent with guidance from state and local health officials, that it is safe to resume such activities. The Superintendent or designee may only grant an exception if the number of participants in the activity will be limited and the person or organization follows the processes and protocols established by the district to minimize the health risks associated with COVID-19.

(cf. 1330 - Use of School Facilities)

Potential Reclosure of Campus

The district shall monitor student and staff absences and data provided by local health officials to determine if there is a risk of resurgence of COVID-19 and a need to reclose school campuses for the protection of students, staff, and the community. The Superintendent or designee shall develop plans and procedures for alternative methods of operations to the extent possible in the event that reclosure becomes necessary.

If any person diagnosed with COVID-19 is known to have been in district building(s), the Superintendent or designee shall immediately notify local health officials to determine a course of action. The building should be closed until cleaning and disinfecting of the building can be completed and the district can consult with local health officials to determine, based on

COVID-19 MITIGATION PLAN(Continued)

up-to-date information about the specific cases in the community, whether an extended closure is needed to stop or slow further spread of COVID-19.

If local health officials report that there has been no community transmission of COVID-19, or minimal to moderate transmission in the community, school campuses may not necessarily be closed, but the district shall continue to take all preventative measures described in this policy.

If local health officials report substantial community transmission of COVID-19, campus closures of more than two weeks may be necessary, and the Superintendent or designee shall cancel group activities and events during that period. Campuses shall not reopen until recommended by local health officials.

SCHOOL ACCOUNTABILITY REPORT CARD

The Governing Board views school accountability report cards as an excellent way to inform the community about conditions, needs and progress at each school and to help provide data by which parents/guardians can make meaningful comparisons between schools. In addition, the process of developing the report cards gives the school staff opportunities to review achievements, identify areas for improvement, enlist local support and establish a vision for the future.

The Superintendent or designee shall maintain a process for developing annual report cards for each school site with input from all segments of the school community. After the report cards are issued, the Superintendent or designee shall provide opportunities for staff and the community to discuss their content and strategies for communicating the information contained in the cards to all stakeholders.

COMPREHENSIVE AND TARGETED SUPPORT AND IMPROVEMENT

The Governing Board is committed to enabling all district students to meet state academic achievement standards. The district shall provide support and assistance to increase student achievement in all district schools, especially any school that has been identified by the California Department of Education (CDE) as in need of comprehensive support and improvement (CSI), targeted support and improvement (TSI), or additional targeted support and improvement (ATSI).

(cf. 0500 - Accountability)

(cf. 0520 - Intervention for Underperforming Schools)

(cf. 6011 - Academic Standards)

(cf. 6171 - Title I Programs)

When any school is identified for CSI, TSI, or ATSI, the Superintendent or designee shall notify the school community, including the principal, teachers, and parent/guardians of students of the school, of the identification and, if applicable, shall inform the school of the student subgroup(s) which are consistently underperforming at the school.

School Plan

Upon receiving notification from CDE that a district school has been identified as eligible for CSI, TSI, or ATSI, the district shall, in partnership with principals, other school leaders, teachers, and parents/guardians, develop and implement a plan to improve student outcomes at the school. The plan shall: (20 USC 6311)

1. Be based on all state indicators in the California School Dashboard, including student performance against state-determined long-term goals, except that any school subject to the state's Dashboard Alternative School Status that has fewer than 100 students may focus on the state indicators that are more applicable to the nature of its program
2. Be based on a school-level needs assessment
3. Include evidence-based interventions
4. If the school is identified for CSI or ATSI, identify resource inequities, which may include a review of district and school-level budgets, to be addressed through implementation of the plan

(cf. 0400 - Comprehensive Plans)

The school plan for student achievement developed pursuant to Education Code 64001 may serve as the school improvement plan required for CSI, TSI, or ATSI, provided that the plan meets the requirements of 20 USC 6311. (Education Code 64001)

COMPREHENSIVE AND TARGETED SUPPORT AND IMPROVEMENT(continued)

(cf. 0420 - School Plans/Site Councils)

The school improvement plan shall be submitted to the Board for approval. (20 USC 6311)

If any district school is identified for CSI, the district's local control and accountability plan shall include descriptions of how the district provides support to CSI school(s) in developing the CSI plan and how the district will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

(cf. 0460 - Local Control and Accountability Plan)

Monitoring and Intervention

The Board and the Superintendent or designee shall regularly review the performance of each school identified for CSI, TSI, or ATSI.

After two years of implementing the school plan, if any such school has been unsuccessful in improving student outcomes to a level that exceeds initial eligibility criteria, the district shall identify the problem and take additional action as necessary.

If a school identified for CSI fails to improve student outcomes within four years to a level that exceeds the CSI eligibility criteria, it shall be subject to more rigorous interventions that include, but are not limited to, partnering with an external entity, agency, or individual with demonstrated expertise and capacity to:

1. Conduct a new needs assessment that focuses on systemic factors and conduct a root cause analysis that identifies gaps between current conditions and desired conditions in student performance and progress
2. Use the results of the analysis along with stakeholder feedback to develop a new improvement plan that includes:
 - a. A prioritized set of evidence-based interventions and strategies
 - b. A program evaluation component with support to conduct ongoing performance and progress monitoring

Governor's Performance Awards and School Site Employee Performance Awards

1. At least 95 percent of students in an elementary or middle school (grades kindergarten through 8), or 90 percent of students in a high school (grades 9 through 12), complete at least a portion of the Stanford 9 (SAT-9), excluding students whose Individualized Education Plans exclude their participation on the SAT-9 and students who receive a parent waiver.

(cf. 6159 - Individualized Education Program)
(cf. 6162.5 - Student Assessment)

2. The school meets or exceeds its five percent growth target on the state's Academic Performance Index (API) or, if the school had an API of 800 or greater in the prior year, it achieves at least one point gain on the API.
3. Each numerically significant ethnic and socioeconomically disadvantaged subpopulation achieves at least 80 percent of the school's API growth target.

A "numerically significant ethnic or socioeconomically disadvantaged subgroup" is a subgroup that constitutes at least 15 percent of a school's total student population and consists of at least 30 students. An ethnic or socioeconomically disadvantaged subgroup of at least 100 students constitutes a numerically significant subgroup, even if the subgroup does not constitute 15 percent of the total enrollment at a school. (Education Code 52052, 52057)

A "socioeconomically disadvantaged student" is a student whose parents/guardians have not received a high school diploma, or a student who participates in the free or reduced price lunch program.

(cf. 3553 - Free and Reduced Price Meals)

A school shall not be eligible if the school has fewer than 100 students or is a community day school, continuation high school, independent study school or other alternative school not assigned an API.

(cf. 6158 - Independent Study)
(cf. 6181 - Alternative Schools)
(cf. 6182 - Opportunity School/Class/Program)
(cf. 6184 - Continuation Education)
(cf. 6185 - Community Day School)

Any Governor's Performance Awards received on behalf of a district school shall be used at the school site for discretionary purposes. (Education Code 52057)

AWARDS FOR SCHOOL PERFORMANCE (continued)

So long as funds remain available, schools receiving awards under the School Site Employee Performance Awards program shall allocate 50 percent of the funds to provide one-time bonuses to be divided equally on a FTE basis among certificated and classified staff who were assigned to the school site during the year of testing. The other 50 percent of the funds shall be used at the school site for one-time schoolwide purposes. (SB 1667, Section 40, Ch. 71, Statutes of 2000)

At each school receiving a Governor's Performance Award and/or a School Site Employee Performance Award, the school site council or other council comprised of teachers and parents/guardians shall determine how the discretionary funds will be spent and shall seek ratification from the Governing Board. The Board may accept or reject the proposal but shall not make modifications to it. If the Board rejects the proposal, the council may submit another proposal to the Board.

(cf. 0420 - School Plans/Site Councils)

4. The school shows growth in SAT-9 scores from 1998-1999.
5. Each numerically significant ethnic or socioeconomic subpopulation, as defined above, achieves at least 80 percent of the 10 percent growth.
