School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

COLUMBIA UNION SCHOOL DISTRICT MISSION STATEMENT

Columbia Union School District's mission is to provide an environment centered upon high academic standards in an atmosphere that challenges students to achieve their maximum potential. Through the collaborative efforts of staff, Board, parents and the community, students will develop a commitment to lifelong learning and a sense of responsibility and respect for others.

COLUMBIA ELEMENTARY SCHOOL INFORMATION

Columbia Elementary school has about 470 students enrolled in grades TK-8. We serve students in and around the historic community of Columbia, California. Our school offers programs that support the whole student through a full time music teacher, a full time physical education specialist, a full time counselor, and access to programming to support increased participation in visual arts, drama, and science programs. We also partner with community organizations to support our goals.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	26	23	23	23
Without Full Credential	1	2	2	2
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

The district has current instructional materials. CUSD is in the process of evaluating science curriculum for adoptions.

School Facility Conditions and Planned Improvements

Columbia Elementary school has very good facilities. A majority of classrooms have been constructed or updated within the last 12 years. Our lighting systems throughout the campus have been updated with Proposition 39 funds. Our HVAC systems have been updated in many rooms in the older part of the campus thanks to Proposition 39 funds as well. We have a well maintained facility that serves as a community hub.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	31	N/A	31	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents are partners in the education of our students. Parents can be involved as members of the Parent-Teacher Organization (PTO), school or classroom volunteers, or as representatives to school governance organizations such as School Site Council.

Parent-teacher conferences are held in the fall and spring of each school year to discuss individual student progress. Additional school site activities help parents understand school programs and to learn about support services for parents and children.

The school holds several parent information and involvement nights throughout the school year. Topics during these nights include school safety, internet safety, History Night, Family Science Night, and nights for general family activities such as family movie night or family dance night.

Materials such as school newsletters, classroom newsletters, and general announcements that provide parents/guardians with information about our school are emailed, posted on our website, and sent home on a regular basis.

Our school website is continually updated with information and calendar dates.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	9.2	9.3	9.2	9.3	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3.79	3.79	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Columbia Union School District maintains a District-wide Comprehensive Safety Plan and NIM/SEMS (National Incident Management) Plan. The district has a School Site Crisis Team which meets as needed and a Safety Committee that meets monthly. The Safety Committee reviews safety plans annually and makes revisions as needed. The Governing Board annually reviews and has an opportunity to make changes to the District-wide Comprehensive Safety Plan at the February Board Meeting.

Each year the staff is trained Self Insured Schools of California (SISC) provided self-guided Blood-borne Pathogen, Mandated Reporting, Pesticide Application, Sexual Harassment, Injury and Illness Prevention Program, and Heat Illness Prevention training to all staff via www.getssafetytrained.com. Staff completed this coursework by September 25, 2020.

Columbia students participate in a yearly bus evacuation drill, monthly fire drills, an annual lockdown/intruder drill, and an earthquake drill as part of the Great California Shakeout in October. The school district partners with county first responders to support appropriate county-wide safety drills and events.

Number of school days dedicated to Staff Development and Continuous Improvement	26	27	27

The district had two early release days per month and then went to four early release day in the 2019-2020 school year in order to provide professional development for Columbia staff with an emphasis on Common Core State Standards, Universal Design for Learning, as well as Better Lesson teacher Coaching. The Tuolumne County Superintendent of Schools Office provided professional development opportunities for Tuolumne County schools throughout each year such as Grade Alike, STEM Tracks, Language Arts and Math Curriculum Frameworks, and Next Generation Science Standards Implementation trainings. Every Friday of 2019-2020 were designated as early release days; one day per month is a professional development day and one for staff meetings for site topics such as inclusive practices, behavior support, implementing technology in the classroom, and self-selected topics on our Professional Development matrix and through the Tuolumne County Superintendent of Schools Office's online modules TRAILS program. In addition, a team of teachers and administrators were engaged in training to support the implementation of Universal Design for Learning. In the 2019-2020 school year, teachers have also had access to curriculum coaching support and coaching for the implementation of UDL.
