

General Transportation Information

Athletes from Columbia Elementary School will conduct themselves with integrity and respect during all home and away games as well as on the bus.

Columbia will provide transportation to the school for games we are playing that start before 4:00pm. Athletes must ride the bus to be eligible to play unless there is a dentist/doctor appointment which has been pre-arranged with their coach..

If someone other than that athlete's parents will be picking them up from a sporting event an **Authorization for Transportation and General Liability Release Form** must be signed and turned in to their coach or athletic director before that specific sporting event. This must be done for every single event. You may get a form from the office, coach or athletic director. If a form has not been filled out beforehand then that athlete will not be allowed to leave with that person.

Parents/Guardians or appointed individuals by parent/guardian MUST SIGN THEIR ATHLETE OUT WITH THE COACH AT ALL THE AWAY GAMES THAT THE SCHOOL PROVIDED TRANSPORTATION TO.

Please sign and date: I have read and understood the Transportation Form
