

Eligibility Policy

*****Academic*****

Grade checks are twice per season, one at the beginning of the season and one mid-season. An athlete must maintain a 2.0 GPA with only 1 F.

Note: Girls basketball and boys and girls Cross Country's first grade check will be their third trimester final grades.

The Athletic Director will check grades the Friday before the first practice. If an athlete is not eligible at that time the AD will make contact with that student and they will be placed on probation. They may continue to practice but cannot participate in games. They will have one week to become eligible, unless that grade check falls at the end of the trimester. If that occurs, the athlete will receive two weeks to get their grades up. If the athlete was unable to meet the eligibility requirements by the end of their probation period, they will no longer be on the team.

The athletic director will conduct a second grade check Mid-Season on a Friday (4 weeks). If this was the athlete's second time not being eligible they will no longer be on the team. If this is their first ineligibility then the athlete will have one week to meet the eligibility requirement. If they do not meet the requirement by the end of the week, then the athlete will be off the team.

***** Behavior *****

Grade checks are twice per season, one at the beginning and one mid-season

The first check will be the Friday before the first practice. If an athlete has 5 or more demerits, going back 6 weeks, they will have one week to work off the demerits to become eligible (the athlete will need to see the athletic director to determine how to work off demerits). If the athlete was unable to meet the requirement at the end of that week then they will no longer be on the team.

The second check will be Mid-Season on Friday (4weeks). If an athlete has 5 or more demerits, going back 6 weeks, they will have one week to work off the demerits to become eligible. If that student was unable to meet the requirement then they will no longer be on the team. During the "probation" week a player may practice with the team but cannot play in the games.
